Parent/Guardian AUP permission

As the parent / guardian of this student, I have read the *Student Acceptable Use Procedures Agreement*. I understand that the school's Internet access is designed for educational purposes only. The school has taken precautions in an attempt to eliminate student access to controversial materials. However, I also recognize that it is impossible for the school to restrict access to all controversial materials. I will not hold teachers, staff, administrators or the school board responsible for materials acquired on the school's Internet system.

Further, I accept full responsibility for supervision if and when my child's electronic resources use is not in the school setting. I hereby give permission for the school to allow access for my child and certify that I have read the *Acceptable Use of Electronic Resources & the Internet* and have signed below giving my son/daughter permission to access the school's electronic resources and to use the Internet with teacher or adult supervision.

Field Research Permission Form

Field research trips are a regular part of the curriculum at the Marlboro School, and students are expected to attend. Parents will be notified of upcoming field research trips through Friday Notes or by a note sent home with participating children before the event. Parents who do not want their children to attend should so notify the teacher or the principal before the field research trip, and plans will be made for the child to stay at school during the trip. in order to avoid confusion, we ask that you sign the form below.

I understand that field research trips are a regular part of the educational experience at the Marlboro School. I hereby grant permission for my child to attend organized trips. I understand that the school will announce upcoming field research trips and that I may notify the teacher or principal if I do not want my child to participate.
